MINI KIOSK with built-in Badge Printer

14" MULTI-TOUCH
PANEL

Short Description

This all-in-one Touch screen kiosk allows your visitors to self-registration at your reception, quickly and efficiently.

It's small "footprint" makes it ideal for unmanned receptions or foyers. Incorporating an ultra-flat touchscreen and integrated paper badge printer (Paper 80gsm), your visitors simply input their information and a visitor badge is instantly printed containing the relevant visitor details.
