## ID08 - Tilt & Rotate Touchscreen

This super narrow brushed aluminum touchscreen adds modern high tech look to any reception desk. Complete with a 15.6" screens and a tilt and swivel axis this screen can be positioned to the best angle of view for your visitors.

Its "cable-free" low profile look is achieved by running all cables down the shaft and discreetly out the back of its polished base.

The multi-touch panel with the bright vivid screen will ensure your brand makes a great first impression.
